

Transcript Request Form Instructions

Requesting a Transcript

In accordance with the Family Educational Rights and Privacy Act, only the individual that attended coursework at Jersey College may request a copy of his/her transcript or direct the release of a transcript to a third-party. Transcripts may be obtained by completing the Transcript Request Form and providing supporting documentation and payment.

To verify student identity, Jersey College requires students requesting transcripts to provide one (1) form of identification with their request. Acceptable forms of identification are: passports, birth certificates and driver's licenses. Where a student has changed his/her name and Jersey College has not previously received legal documentation detailing the name change, the student must also submit a copy of one of the following legal documents to verify the change in name -- marriage license/certificate, court order or divorce decree. Individuals are advised that transcripts will not reflect changes in legal names that occur after individuals leave the college.

The signed Transcript Request Form, along with payment, proof of identification and proof of name change (if necessary) may be dropped off, faxed or mailed to a campus. All transcript requests must be signed. Unsigned transcript request forms will not be processed.

Transcript Fee of Form

There is a \$5 fee for each copy of a transcript except for an initial request for a transcript, for which there is no fee. Form of payment is credit card, money order or cash. No personal checks can be accepted for processing of transcript requests.

Where to Send Transcript Form and Fee

Transcript forms and fees should be mailed, faxed¹ or personally delivered to the campus that the individual attends or attended. The mailing addresses and fax numbers for our campuses are available at www.jerseycollege.edu/campuses.

Other Information

We will use reasonable efforts to process all transcripts within three to five business days. Please note that students must be in good financial standing with Jersey College in order to receive a transcript. If a student's account is not current, the transcript request will be denied.
