				8.0
Credits		54.5	12.5	67.0
Credits for Prior Learning as an LVN/LPN**		6.0	2.0	8.0
Total Credits				75.0

\* Math requirement based on state of enrollment.

\*\* Students with an active and unencumbered Practical Nursing license may request advanced placement and receive 8.0 credits (6.0 theory and 2.0 lab) for prior learning. In such case, these students will be provided with credit for HSC205 (Human Body in Health and Disease I), HSC206 (Human Body in Health and Disease II), and HSC207 (Human Body in Health and Disease III) and be required to undertake NUS216 (Transitions and Health Assessment) instead of NUS215 (Healthcare Foundations).
