Graduates from Jersey College may find employment in the healthcare field, often nursing. The Practical Nursing program prepares graduates to take the NCLEX-PN examination and the Professional Nursing program prepares graduates to take the NCLEX-RN examination. Successfully passing the examinations will allow for employment as a Practical Nurse or Registered Nurse, respectively.

*Graduates who were unable to be contacted were considered unemployed for tracking purposes. Data was compiled using COE prescribed metrics for total placement rate and licensure exam pass rate. Please visit www.council.org for data collection methodology.
